Carbon Monoxide Alarm Sounding

In the event of the carbon monoxide alarm sounding, please follow the instructions below:

- Vacate the property immediately.
- Open doors and windows along your way out if they are quick and easy to open.
- Call the owner on **01494 569068**
- Call Sykes Cottages on **01244 352498**

Do not return to the property until it has been checked by the emergency services or company maintenance team.
