

Pet Code of Conduct

- Dogs must always be supervised at all times and not left unattended at any point during your stay.
- The external areas of Feshiebridge Lodges are not escape proof for dogs, we ask that dogs are kept on leads when in the external areas on site – long dog leashes are provided in our pet friendly properties should you wish to use them during your stay.
- Please note dogs are not permitted in bedrooms or on any furniture. As noted in our welcome pack, owners are reminded to bring their pet's bed, toys, food, bowls etc.
- Guests are asked to clean up after dogs, both inside and outside of the property, or extra cleaning costs may be charged. Waste should be disposed of immediately in the general waste bin at the entrance to the site.
